HT 5.0 k West	X	—	
HT 3.3 k East & West	X	—	
HT 3.75 k West	X	—	

## SUMMARY:

Last grooming was April 2<sup>nd</sup> and 3<sup>rd</sup>. Lack of new snow and warmer temperatures continue to hamper trail conditions and base depth. Bare spots are encroaching onto the trails. Tree-lined trails offer optimum spring skiing conditions.  
**USE AT YOUR OWN RISK!**

## SNOW TOTALS

**TOTAL TO DATE: 17 feet!**  
**TOTAL LAST WEEK: 40"**
