Site Plan Example

Please include on your site plan:

- The name and location of the access road(s) and driveway
- The location of all structures (existing and proposed)
- The location of well, septic and electric source
- The setbacks of proposed structure(s) to property lines, nearby structures, roads, septic, leach fields, and electric source
- Add dimension of the proposed structure
- If the parcel/lot is not square, please draw the shape in the box
- Add directions to the North arrow

Site plans that are illegible or do not contain the above listed items will be returned for corrections.
